AMEND Senate Bill No. 1382

House Bill No. 649*

By deleting in Section 5 of the bill, as amended by House State and Local Committee

Amendment No. 1 (Draft No. 14951), the language:

An official designated by the authority shall inspect all such installations and shall be given the opportunity to be present when such security gates or barriers are tested for final approval.

And by substituting instead the following:

A county or municipal building or codes inspector shall inspect all such installations. Such inspections of security gates or barriers shall be conducted at the same time as other inspections of the gated facility or community are performed by a county or municipal building or codes inspector.

AND FURTHER AMEND by adding the following language to Section 6 of the bill, as amended by House State and Local Committee Amendment No. 1 (Draft No. 14951):

Such equipment shall be furnished, installed and maintained by the gated facility or community that is served by such equipment.
